### DAY 5: THURSDAY, OCTOBER 10 HAROD'S SPRING, JORDAN VALLEY, QUMRAN, EIN-GEDI

We depart the Sea of Galilee area heading south and our first stop is at Yardenit, the baptismal site on the Jordan river. We continue to Beit-Shean/Scythopolis, the most magnificent archeological site in Israel, located at the strategic juncture of the Jezreel and Jordan valleys. After defeating Saul and his sons on Mt. Gilboa, the Philistines hung their bodies on the walls of Beit-Shean (1 Sam 31:10-12). During the intertestamental period the city was renamed the "Scythopolis". Archaeologists have uncovered a huge number of ruins of the Roman/Byzantine Scythopolis, and during the time of Jesus Scythopolis was one of the chief cities of the Decapolis, a league of ten cities sharing Greek culture and government. We then continue to the Spring of Harod (also known as Gideon Spring),

The southern side of the Temple was the main entrance for the common folk, whereas the Priests and Levites had their own entrance from the higher, eastern side. Parts of the giant stairs, which led to the Temple Mount from the courtyard, have been unearthed. It is in this courtyard that Jesus likely drove out the vendors and money exchangers who were exploiting the people. We conclude our time together as we view Golgotha above the beautiful Garden Tomb, where we enjoy a time of communion, praise, worship and testimony. We have a Farewell Dinner and we spend the night at Prima Park in Jerusalem.
